

Archmage Interdem

The Archmage is seldom, only appearing to say what he deems necessary.

Due to his reclusive and secretive nature, very little is known about him; but the Queen seems to trust him with her life.

Although he may not seem like it, he is also quite knowledgeable on alchemy, and even natural magic; and as such Oseille will occasionally seek his advice on certain subjects.

Though he seems more talkative with you, Adventurer. I wonder why...
